

A cover letter to the journal Polish Orthopaedics and Traumatology

ul. 28 Czerwca 1956 nr 135, 61-545 Poznań

e-mail: office@polishorthopaedics.pl

www.polishorthopaedics.pl

Name and surname of the author submitting the manuscript and responsible for correspondence with the Editorial Office:

.....

Address:

.....

phone:, e-mail:

The authors signed below submit the work entitled:

.....

.....

for publication in **Polish Orthopaedics and Traumatology**, and declare as follows:

1. The work has not been published so far (with the exception of conference materials, if any) and has not been sent for printing to another journal.

2. The publication does not infringe on the copyrights of other individuals.

3. All the authors mentioned below have read its content and agree to its publication in the journal **Polish Orthopaedics and Traumatology**

The authors declare that they transfer, free of charge, the economic copyrights in the submitted publication to the Polish Society of Orthopaedics and Traumatology and the publisher of the journal - Exemplum Tomasz Adamski. The transfer of copyright covers the use of publications within the scope of its fixing, reproduction and publication in all known forms and in all known fields of exploitation. The authors declare that they have read the Declaration of the journal Polish Orthopaedics and Traumatology regarding ethical standards and abuses in the publishing practice.

Determining the contribution of individual authors to the creation of the work:

1. The concept and design of the study

2. Collection and/or compilation of data

3. Analysis and interpretation of data

4. Writing of the article

5. Critical review of the article

6. Confirmation of the final version of the article for publication

7. Other (please, specify):.....

Full name and surname of the author	Contribution to the creation of the work (please use numbers from the list above)	Signature	Date

I declare that there is no conflict of interest / I declare that there is a conflict of interest, consisting in:

.....

.....

.....

Conflict of interest occurs when at least one of the authors of the article has links, e.g. financial links, with institutions (through investment, employment, consulting, fees, etc.), which may affect its independence and objectivity. In the case of studies containing the evaluation of products partly or fully sponsored by commercial companies, the authors are required to disclose this fact in this cover letter.

Place and date Signature of the declaring author
